7. Day 1 Wrap-up

UNDERSTANDING ITS/CVO TECHNOLOGY APPLICATIONS
Student Manual

MODULE 7 -
DAY 1 QUESTIONS &
WRAP-UP

US Dept of Transportation

Module 7- Day 1 Questions & Wrap-up

Title

Understanding ITS/CVO Technology Applications
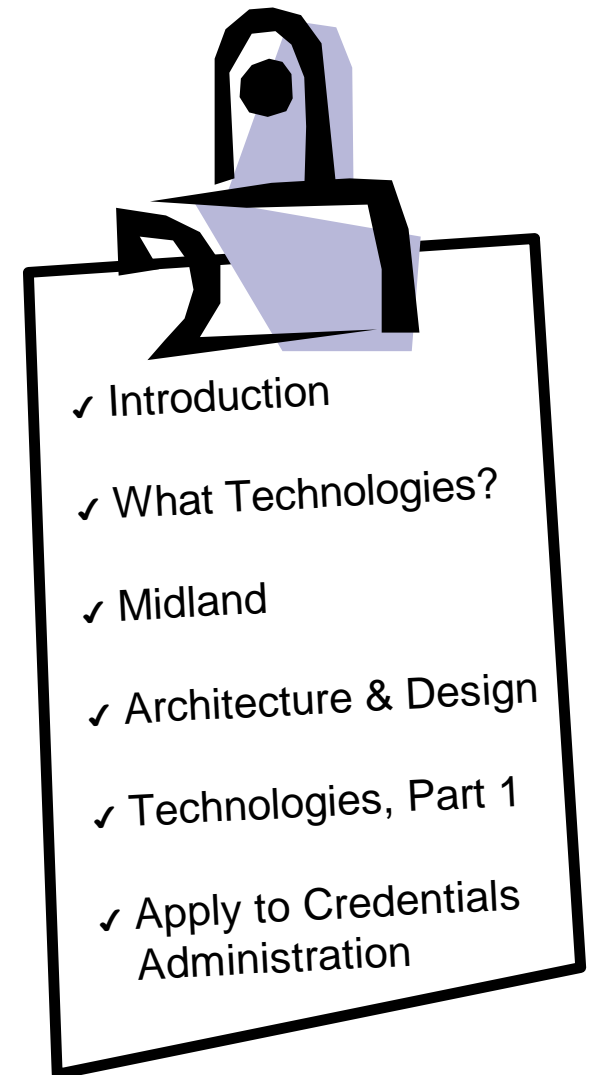

3/15/99 11:08

Page 7 - 1

What we covered today

0 Course Introduction

1 What Technologies?

2 Facts about Midland (Case Study)

3 Architecture & Design

The Technologies, part 1

   4 Information Systems

   5 Connecting Information Systems
      to Each Other & to Users

Applying the Technologies

   6 Applying the Technologies to Credentials
      Administration Problems

7 Day 1 Wrap-Up

✓ Introduction

✓ What Technologies?

✓ Midland

✓ Architecture & Design

✓ Technologies, Part 1

✓ Apply to Credentials
  Administration

Questions Remaining?

What we'll do tomorrow

Start at _____

8 Goals for Day 2

The Technologies, part 2

   9 Sensors, Communications, Control

   10 Technology Applications for Carrier
      Operations

Applying the Technologies

   11   Applying the Technologies to Screening
       Problems

   12   Applying the Technologies to Safety
       Assurance Problems

13 Pulling it All Together

14 Day 2 Wrap-Up

✓ Technologies, Part 2

✓ Apply to Screening &
Safety Assurance

✓ Pulling it All Together
